Action for Eastern Montana

Helping folks in a fix since 1966, Action for Eastern Montana (AEMT) is committed to strengthening and enhancing the quality of life within the communities we serve by promoting education, advocacy and dignity for achieving independence.

AEMT serves not only Dawson county, but 16 other area counties as well. The area we cover is approximately 48,000 square miles which is larger than Tennessee, Massachusetts and Connecticut combined and is about one-third the state of Montana. AEMT is the sponsoring agency for community programs geared primarily towards empowering low- and moderate-income individuals, seniors and families. Our programs include medical equipment loan closet, rental assistance as well as a housing navigator, weatherization, youth employment and training, low-income energy assistance, energy share of Montana, Head Start, as well as various senior aging programs including free SHIP (state health insurance assistance program) counselors, Medicare information and assistance, ombudsman, senior commodities, senior companion services and the Veteran Choose Home Program. Action for Eastern Montana is the only agency in our area that provides critical support to families as a unit. We provide services from preschool to retirement in cooperation with other providers to help families stay together and improve the conditions in which they live. Our office at 2030 North Merrill in Glendive is open from 8 am to noon as well as 1 pm to 3 pm, Monday through Friday. Please feel free to stop out for more information about our programs or to apply for assistance. You can also call 1-800-227-0703 to inquire about any of our programs or to request any applications to be mailed to you.
