## CHAMBER MEMBER SPOTLIGHT

### Reynolds Market

Reynolds Market has been a staple in Glendive for almost 100 years. In 1925, Frank Reynolds and John T. Marman started F.T. Reynolds. Reynolds has gone through a lot of changes through the years

and presently offers a full-service deli, top-notch meat department, fresh produce, fresh bakery, sushi made in-store daily, and a pharmacy with two pharmacists to assist our customers.

Reynolds has added several new services in the past few years, starting with online shopping. Customers shop from the convenience of their own home with the option for delivery or curbside pickup of their groceries making it more convenient for the shopper. To thank our loyal customers, Reynolds started a Rewards program giving customers the option to sign-up for the program. As a Rewards member you earn wallet credits toward your groceries, and also the ability to save money with digital coupons and other extra loyalty deals. Reynolds has evolved with our community to continue to not only be a grocery store, but a community gathering place and supporter of many activities. The addition of a portable smoker gives Reynolds the opportunity to be a part of community events and offers Reynolds Own smoked meats. Our focus is all about community, and Reynolds loves bringing fun events to the store like Breakfast with the Easter Bunny, Mom and me Painting and Dads vs. Kids Epic Marshmallow War. Don't forget the Children of the Scarecrow, Super "Bowl" craft, and many more fun activities.

F.T. Reynolds Co. prides itself on being able to give back to the communities it serves with the Friends of Reynolds program. A program developed by the company that gives back to participating non-profits.

***As our motto says : Reynolds Market... It's All About Community!***

The groups biggest event of the year is Buzzard Days, held annually in June. This year it is scheduled for June 9th -10th. Friday will have a cornhole tournament as well as food (Tailgators) and beverages (Cross Country Brewing). Saturday is packed with fun activities. Starting with the half marathon, 5k and 10k runs, a free will sausage and pancake breakfast, and a blue bird hike. There will be family activities as well with inflatables, mini train, face painting, and many more. At 10:00 am there will be a kids fun run. Following the run, the Museum of the Rockies will put on a paleo presentation and hike. In the evening they will be showing the movie "Family Camp" at the group use shelter. It is sure to be a fun event for everyone.
