The Adult Basic and Literacy Education program (ABLE) offers a flexible program to meet the varied needs of students requiring basic skills and career assistance. Students set their goals, work at their pace and receive lots of encouragement and praise.

The ABEL program supports students as they:

- Attain their HiSET/GED
- Transition to college or technical programs
- Improve their employment prospects with career coaching using the Montana Career Information System

Chamber Chatter

May 2016

Hello to all the Chamber members. The rain promises to freshen up the landscape, and all those who worked or volunteered through community clean up week really freshened up Glendive. Thank you to all the volunteers who painted our building downtown. The new colors and photo wraps look amazing. It really takes simple changes to make big impacts.

I've been working part-time for three weeks now and I have been overwhelmed with all the positive comments and support I've received. Thank you, I am looking forward to all the events ahead and my sons are looking forward to finally getting to go out for paddlefish season. Remember the season begins May 15th.

I want to say how impressed I've been with the Chamber staff. Tienna, Denny and Joan have truly pulled together daily to keep services and Chamber business moving forward. Their efforts and commitment really show and are making my transition smooth and productive. You are also being served by a very dedicated board. I've been impressed with how they all roll their sleeves up and pitch in whenever the work requires their efforts. The new website, www.glendivechamber.com, is one great example.

Watch for a Chamber letter and new window membership static cling coming in the next few weeks. I will be in full time starting May 9th and I look forward to meeting all of you in the weeks ahead. Make sure you call if we can help in any way, check out the new website, and thank you for your membership and involvement in our Chamber.

Sincerely,
Christine Whitlatch
Executive Director.

American Ford will be participating in the

Ford Peanut Butter Drive

the week of May 14th -21st.

The peanut butter drive is held in response to the increased demand for this important staple during the summer months, when many children lose access to school nutrition programs. During this week we will be collecting jars of peanut butter all of which will be donated to the Dawson County Food Bank.

We are excited to have been serving eastern Montana since 1986!!

Rolling Rubber was founded in June 1986 by Dave & Betty Bean. Still in its original Miles City location on Main Street, Rolling Rubber has been Miles City's only locally owned tire store for 30 years. It is now owned and operated by JR and Carol Bean and has expanded from its original Miles City location to 3 additional locations: Miles City Truck Center (South Haynes Ave), Baker, and Glendive.

Watch for information coming soon to help celebrate our milestone 30th Anniversary!
